Online & Performance Marketing Manager

Location: Vienna

We are the **fastest growing marketplace for refurbished electronics** in the German speaking region and are based in Vienna. Through our marketplace, completely renewed electronics like phones, laptops and tablets that are 40% cheaper and 100% more sustainable are sold to consumers.

We founded the company in February 2017 and grew to **more than 30 employees in two years** and expanded to Italy and Poland already. Along the way we won several awards, completed **two large funding rounds** and have already sold tens of thousands of products, which makes us one of the **fastest growing startups in Europe** right now. Our team has extensive international experience in the refurbishment industry, how to create a brand and how to scale a marketplace.

We have a very **strong marketing team** and do everything from content creation to channel optimization in-house. Now we are further **growing our marketing team** and are looking for a **full-time team member with focus on performance and social media marketing**.

Together with you we want to **build the leading marketplace for refurbished electronics in Europe**.

YOUR ROLE

- ✓ You manage and optimize selected digital channels (e.g. facebook, instagram, pinterest)
- ✓ You create new campaigns and test new ideas
- ✓ You work with the creative team on creating exciting content
- ✓ You analyze the performance of your channels,

YOUR PROFILE

- ✓ You are a digital native and have experience in digital marketing both performance and social media marketing
- ✓ You work independently and goal oriented
- ✓ You have strong analytical capabilities
- ✓ You are a creative problem solver

- ✓ combine your findings with data from other sources and generate insights for the whole company
- ✓ You have fun while doing it
- ✓ You have experience with analytics tools
- ✓ You don't use the term "That doesn't work"
- ✓ You care about the world and want to spend your time making a difference

ADDITIONAL FACTORS WE APPRECIATE

- ✓ You have experience in e-commerce and/or consumer electronics
- ✓ You have international experience

YOUR BENEFITS

- ✓ Startup atmosphere
- ✓ Influence on the strategic and operative development of refurbed
- ✓ Strong marketing team and extensive resources
- ✓ Working closely with the leadership team
- ✓ International team and atmosphere
- ✓ Flexible working hours

YOUR APPLICATION

Fair compensation

Collaboration with all parts of the company

Home office

Experienced and ambitious team

YOUR APPLICATION

You want to build the leading marketplace for refurbished electronics in Europe and change the world by making it easier to sell sustainable products? Then **apply now**.

Please include a cover letter, references and any relevant projects you want us to look at.

For legal matters we state that the **minimum wage** for this position is 2,400 € gross per month according to the collective agreement (Kollektivvertrag). However, depending on your qualification a **higher salary obviously is very likely**.
